Please join us in a Poker Run on October 20th, 2007, to benefit Lt. Hal White of the Morrow Police Department. Lt. White has been a police officer in the Morrow Police Department for 25 years, serving the citizens of the City of Morrow, Clayton County and the State of Georgia. He has touched many lives throughout his career, and it is our turn to show our gratitude. Hal was diagnosed with a rare form of Leukemia in September of 2007, one of only two known cases in Georgia. He and his family have endured a great deal of turmoil and a tremendous amount of medical expenses. We will do whatever it takes to assist them in their time of need.
